

Download Cisco WebEx Meetings Mobile App

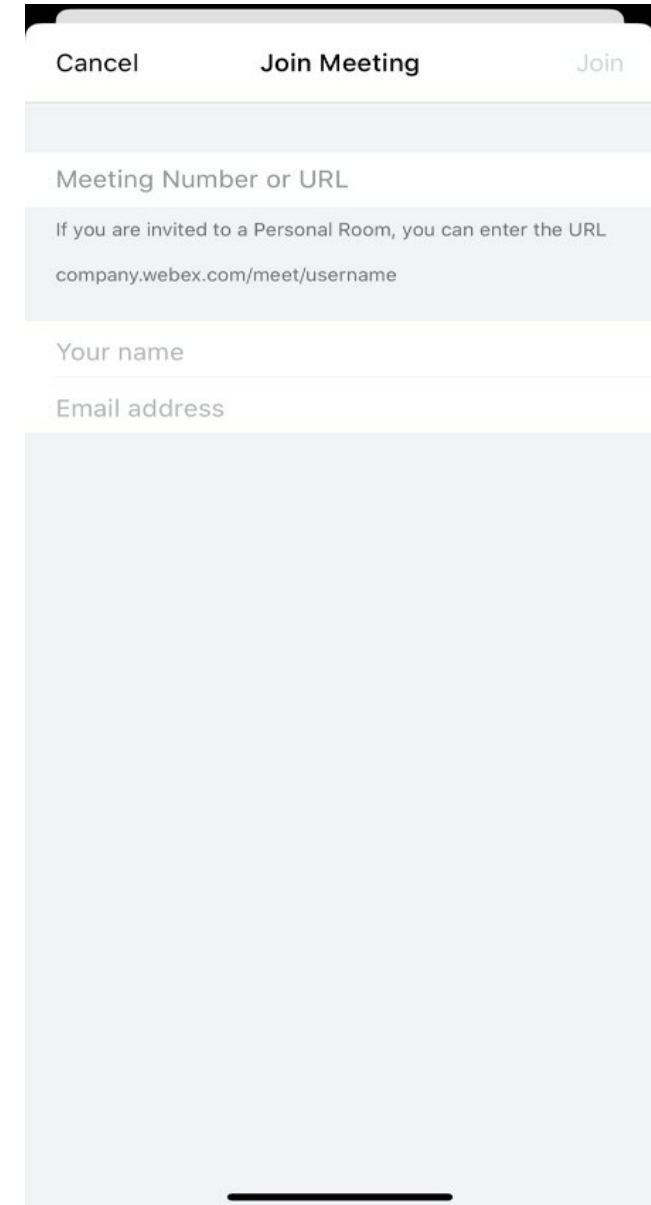

1. Search *Cisco WebEx Meetings* through your App Store or Google Play and download

2. Sign up using your UOW email e.g. abc123@uowmail.edu.au

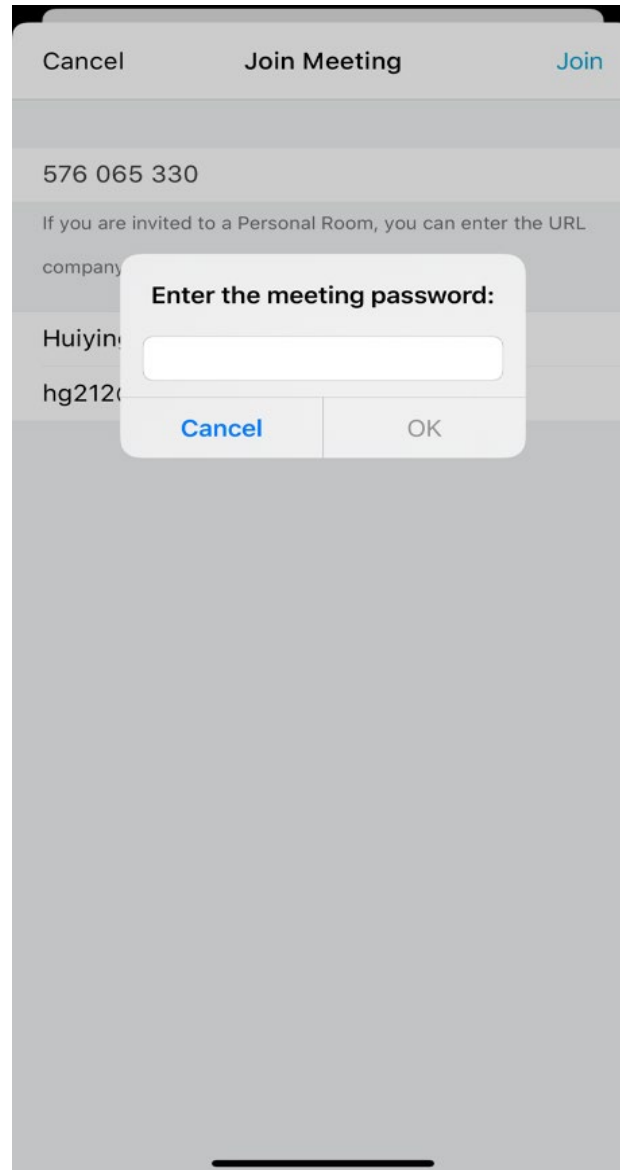

Join a Meeting using Mobile App

1. Open *Cisco WebEx Meetings App*
2. Select *Join Meeting*
3. Enter the requested information:
 - *Meeting Number*: this will be sent to your UOW email via a meeting request email on the day of your appointment. Once you 'accept' the meeting request email, the email will be saved as an event in your UOW email calendar and you can access it this way
 - Name and UOW email address

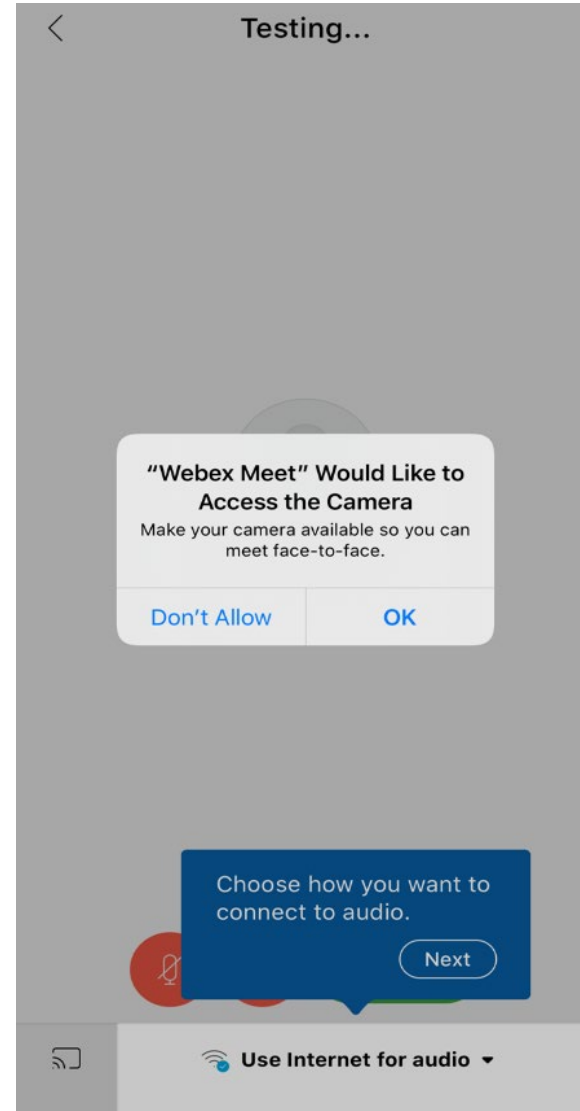

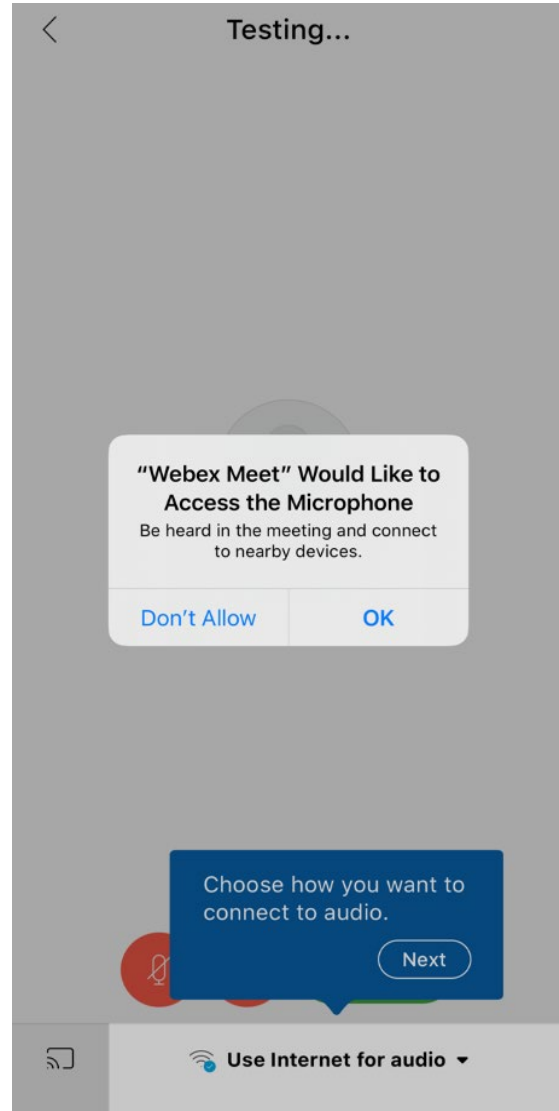

The screenshot shows the 'Join Meeting' screen in the Cisco WebEx mobile app. At the top, there are three buttons: 'Cancel', 'Join Meeting', and 'Join'. Below the buttons is a text input field labeled 'Meeting Number or URL'. A light blue informational box contains the text: 'If you are invited to a Personal Room, you can enter the URL' followed by the example URL 'company.webex.com/meet/username'. Below this is another text input field labeled 'Your name', and a third text input field labeled 'Email address'. The bottom of the screen shows a dark horizontal bar, likely representing the home indicator on an iPhone.

4. Enter *Meeting Password*: This was sent to your UOW email with the meeting number.

5. Allow you Webex Meetings to access the microphone and camera

6. Select *Join*
