# CAREER RESUME

Your ability to gain an interview for a position hinges upon the quality of your written application. This is an opportunity to demonstrate that you have the required skills, knowledge, abilities, and qualifications for the position.

It is essential to tailor each resume for each position.

# **MARKET YOURSELF**

Your resume is a marketing tool. This is an opportunity to highlight your unique selling points to an employer.

Tailoring your resume for every job will emphasise your strengths as they relate to each job and match your skills and abilities accordingly. Research the organisation and the position to determine what the employer is looking for.

# **HEADINGS**
